

## MADE TO WORSHIP

**G**                      **G/F#**                      **Em**                      **C**  
Before the day, before the light, before the world revolved around the sun.  
**G**                                      **G/F#**                                      **Em**                                      **C**  
God on high, stepped down into time, and wrote the story of His love for everyone

**C**                                      **D**                                      **C**                                      **D**                                      **C**  
He has filled our hearts with wonder. So that we always remember

**G**                                      **C**  
You and I were made to worship, you and I are called to love  
   **Am7**                                      **D**  
   You and I are forgiven and free.

**G**                                      **C**  
You and I embrace surrender, you and I choose to believe  
   **Am7**                                      **D**                                      **G**  
   Then you and I will see who we were meant to be  
   repeat (You and I will see)

All we are, and all we have, is all a gift from God that we receive  
Brought to life, we open up our eyes, to see the majesty and glory of the King

**Am7**                                      **G/B**                                      **C**  
And even the rocks cry out,                      and even the Heavens shout  
   **D**

   At the sound of His holy name  
**Am7**                                      **G/B**                                      **C**  
So let every voice sing out,                      and let every knee bow down  
   **D**  
   He is worthy of all our praise
